Dear Reiners,

We as Belgium Futurity Team are once again pleased to be able to welcome you to our show "Belgium Futurity". This show will be held at the location: **REINING CENTER MEERTENHOF, BAEXEMERWEG 40, 6096 AR GRATHEN, THE NETHERLANDS**. This accommodation has something for everyone and everything is under one roof. Whether the weather is good or bad, the competition will not be disturbed.

From Sunday 18 September to Sunday 24 September 2023, we will work together with you to make this a great reining event.

In terms of facilities, together with Reining Center Meertenhof, we have made the necessary optimisations and improvements. We would like to give you a foretaste of some of the points:

- The equivalent quality floors of the 2 indoor arenas (1 warm-up arena 30x60m and the show arena 35x70m).
- Please note: 1 hour before the show, the competition arena is thoroughly dragged and no horses are allowed in it. When the show is over, the competition arena will be dragged again. We hope for everyone's understanding because, of course, this is only to be able to keep the ground in both pistes of very good quality.
- Parking is available if everyone parks as close to each other as possible. There is enough space for everyone so please keep this in mind.
- Anyone with a truck or motorhome must park in the campsite unless they have a reserved space in front. These places will be individually marked with name plates.
- Use of electricity without visible proof of payment is not in accordance with the agreements made regarding the use of electricity. Cables connected to the grid without visible proof of payment will be removed and taken to the bar. The organisation has the right at all times to fine violations in this respect at a fixed additional cost of 25 euro. The cost for this is 105 euro.
- Futurity classes are open to all horses and if the sire of the horse has been paid into the Sire & Dam Program, this horse will also compete for the Foal Award and Sire Award. If the sire of the horse is not paid in, the horse must pay the Nomination Fee and will only compete for the added money.
- The show office will be open from Monday 10 September at 10.00. You are requested to collect your start numbers as soon as possible after arrival.
- No one can get a start number before having made their payment. When paying, please always mention your start number.
- Please note that the show office can change the programme at any time, depending on the registrations.

- The stables will be open from Sunday 17 September 19.00.
- There is a possibility to buy hay or straw, to be ordered in front of the bar.
- Toilets and showers are also available for ladies and gentlemen separately. You can find them in the toilet building. They are free of charge and available 24 hours a day.
- The owner of Reining Center Meertenhof demands that everybody cleans up the droppings of their horses and dogs. This is a small effort but a very big gesture! Dogs must be kept on a leash at all times.
- Saturday evening we have a party which will be open to everyone when the last class and prize ceremony are over.
- There will also be a VIP on Friday evening and Saturday evening. The sponsors will be invited personally. More information +32(0) 495 100 400.
- You can do your entry online at [www.showmanager.eu](http://www.showmanager.eu)
- After your entry, you will receive the confirmation/invoice by e-mail from [showsecretariaat@drha.nl](mailto:showsecretariaat@drha.nl). Without a registration receipt, you are NOT entered. Please take this into account so that we avoid misunderstandings about this.
- Please note that when participating at this competition, you agree with the rules and regulations of Reining Center Meertenhof.
- The medication fee only applies to NRHA classes with the exception of Youth 13&Under, Youth 14-18 and Rookie L1.
- Every rider is entitled to a FREE video showing all their runs. With the exception of the PaidWarmUp classes. These videos are available at MP-Video.
- Photos can be purchased at RCM photography. They will be on site with a stand.
- At the prize giving ceremony correct western clothing and horse is required: No horse, no Hat, no Money.
- There will be no payment of winnings during the competition itself. After the results of the doping tests, these will be paid via the bank account.
- Riders who participate in the PWU have to be a member of NRHA Belgium.

If you have any questions, you are welcome to call +31 (0)417 419 41

I hope to see you at a successful event.

Kind regards,

NRHA Belgium Futurity Team & showsecretary Bianca Bekking
